The Coalition accounts for uncertain tax positions, if any, in accordance with ASC Section 740. In accordance with these professional standards, the Coalition recognizes tax positions only to the extent that Management believes it is "more likely than not" that its tax positions will be sustained upon IRS examination. Management believes that it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements for the year ended June 30, 2020.

The Coalition believes that its income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Coalition's financial condition, results of operations, or cash flows. Accordingly, the Coalition

Part XIII Supplemental Information (continued)
has not recorded any reserves, or related accruals for interest and
penalties for uncertain income tax positions at June 30, 2020.

however, there are currently no audits for any tax periods in progress. The
Coalition believes it is no longer subject to income tax examinations for
