## **Job Opening PARENT EDUCATOR (Healthy Families Program)**

### **General Position Description: Parent Educator (Spanish speaking preferred)**

Parent Educators implement the nationally accredited Healthy Families Florida (HFF) home visiting program in targeted service delivery areas and function as an integral part of the local Healthy Families program team. Parent Educators coach parents in their role through the following activities: education about child health and development; supporting development of problem-solving skills; promoting positive parent-child interaction; supporting connections to social supports; connecting family members to a medical home; providing referrals to other family support services as needed and encouraging participating in parent groups.

### **Minimum Requirements**

#### **Education: A Bachelor's Degree is preferred.**

- Minimum of Bachelor's Degree and at least one (1) year working with children and families; or
- an Associate's Degree plus two (2) years' experience working with families; or
- a child development associate (CDA) plus three (3) years' experience working with families; or
- a high school diploma or GED plus four (4) years' experience working in a home visiting program.

#### **Qualifications:**

- Excellent organizational skills.
- Experience and willingness to work with culturally diverse populations present in target population.
- Knowledge of infant and child development.
- Knowledge of local health and human service providers.
- Healthy Families experience preferred.
- Infant mental health endorsement preferred.
- Bi-lingual preferred.

**FOR COMPLETE POSITION DESCRIPTION PLEASE CONTACT US BY EMAIL OR VISIT OUR WEBSITE <https://healthystartfv.org/>**

Job Type: Full-time

Pay: \$12.25 - \$13.25 per hour

COVID-19 considerations:

Many of our employees, after proper training, are eligible to perform some of their duties remotely. While in the office, adherence to CDC guidelines for masks usage, social distancing, and cleaning is required.
